

CENTERLESS GRINDING
SOLUTIONS

WORKREST BLADE SOLUTIONS ABOVE THE REST

Quick Turnaround – Emergency Repair

From the company you've trusted to service and repair your Cincinnati Centerless Grinders and components, we now manufacture and repair workrest blades for all Grinders including:

- Bryant
- Cincinnati
- Elgin
- Estarta
- Glebar
- Koyo
- Landis
- Monza
- Nippe
- Norton
- Paragon
- Royal Master
- Supertec
- Van Norman
- Viking
- Specialty Blades

RETIP & REGRIND

- Quick Turnaround Times
(2 weeks or less upon receipt)
- Emergency Service
(24 hr emergency service available – on most applications)

NEW

- Carbide Tipped or Bronze
- Seamless 1 pc Tungsten Carbide
- Made to Order

Our Work Rest blades are manufactured out of seamless tungsten carbide tipped steel. We can also **regrind / retip** your Thru-feed or In-feed blades back to original specifications.

With quicker than average turnaround times, you can expect the same precision and attention to detail as with all of our Centerless Grinding capabilities.

Give us a call at **216-520-4612** for your next Work Rest Blade project!
